Dear Ms. Wall,

In response to your letter (copy enclosed), we are filing an amended Thirtieth Day Report for the period October 17 through November 25, 1996. This amended report reflects corrected amounts on the Summary Page 2, Column B, lines 23 and 30. These amounts are corrected after taking into consideration the amended reports for the two preceding periods, August 22 through September 30, 1996 and October 1 through October 16, 1996.

The Year End Report from November 26 through December 31, 1996 is correct as filed. The Summary Page 2, Column B, lines 23 and 30 are correct based upon this amended report.

We apologize for the error, and hope this resolves the issue. If you have any questions, or require further information, please contact:

Dear Ms. Boeskay:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The total listed on Line 23, Column B of the Detailed Summary Page appears to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Line 23, Column B total. Please amend your report and any subsequent reports that may be affected by this correction.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
